Chorus:

Baby we can try again
If you're ready
Baby we can take it slow
If you're ready

Verse 1:

I've been around, you know the things
I used to do, uh huh
Girl I never thought
Never thought I'd find someone like you, baby
Girl I need you in my life

Chorus:

Baby we can try again
If you're ready
Baby we can take it slow
If you're ready

Verse 2:

If you were mine,
All the things of yesterday are no more
They're all gone
And I can say with a love like yours
What more would I need
Girl I need you in my life

Chorus:

Baby we can try again
If you're ready
Baby we can take it slow
If you're ready

Bridge:

Oh I'm waiting for someone like you
To love me, to hold me (hold me)
To care for me
Like no other

Chorus (repeat with adlib to fade):

Baby we can try again
If you're ready
Baby we can take it slow
If you're ready
