# New Eden
## "What's Your Name"

(Verse 1)
What's your name
I've seen you before
What's your name
May i walk you to your door
Its so hard to find a personality with charm like yours
for me oooh oooh oooh wee

(chorus)
What's your name
Is it mary or sue
What's your name
Do i stand a chance with you
Its so hard to find a personality with charm like yours
for me oooh oooh oooh wee

(verse 2)
I stood on this corner
Waiting for you to come along
So my heart could feel satisfied
So please let me be your number one
Under the moon under the stars
And under the sun whooo

What's your name (what's your name)
Is it mary or sue
What's your name
Do i stand a chance with you
Its so hard to find a personality with charm like yours
for me oooh oooh oooh wee

(saxsaphone solo)

So please let me be your number one
Under the moon under the stars
And under the sun whooo

What's your name (what's your name)
Is it mary or sue
Wha'ts your name
Do i stand a chance with you (do i stand a chance with

you)
It's so hard to find a personality with charm like yours
for me oooh oooh oooh wee

What's you name
What's your name

(Ralph speaking)
Umm excuse me but ive just gone through an entire
song and you still haven't told me your name
Now now that were together just the two of us why don't
you tell me your name
C'mon don't be afraid im not gonna laugh
What is it
Is it taffy cause your so sweet
No no it's angel cause you look so heavenly
Ive got it it's gotta be bunny cause your so cute and so
cuddly
I wonder why you didn't ask me my name yet
You don't wanna know sure you do
Listen why don't you and i just take a walk in the park
And I'll tell you all about me and then you can tell me all
about you
Does that sound good to you it sounds good to me too
Lets go
