FEAT Bell BIV DEVOE

Im so sorry, baby, I never meant to hurt you. please  
forgive me.

La da da...

Tears, I see, drop from your eyes. tell me why you cry.  
Guilt, I feel, when you look at me. did I let you down?  
Girl, you see that i, I apologize.  
Tell me what to do to get through to you.  
Girl, it's not the same. I knew I was to blame.  
Just tell me, when will I see you smile again.

Tell me, when will I see you smile again? cause I know I  
messed up, baby  
And I know you're fed up, sugar.  
Tell me, when will I see you smile again? cause I know I  
messed up, baby  
And I know you're fed up, sugar.

Promises, I know I made many times before, and I  
broke each one of them.  
But I had to learn over and over again: don't hurt the  
one you love.  
Girl, you see that i, I apologize.  
Tell me what to do to get through to you.  
Girl, it's not the same. I know I was to blame.  
Just tell me, when will I see you smile again?

Tell me, when will I see you smile again? cause I know I  
messed up, baby  
And I know you're fed up, sugar.  
Tell me, when will I see you smile again? cause I know I  
messed up, baby  
And I know you're fed up, sugar.

Look, baby, listen:  
Please forgive me for all the wrong Ive done.  
You see, I just can't understand why I keep making this  
same kind of mistake  
Over and over again. but there's one question that

remains in the back of my mind, love.  
And that is when will I see you smile again?

Tell me, when will I see you smile again? ...
