Fire and ice  
Why don't we just throw in the dice  
Hot or cold  
I never know which way you may go  
Follow me follow me  
I have waited too long to see  
Problems are problems  
The truth is our security  
(chorus)  
Its my life, I can't waist the time  
Ive made my decision, so lets lay it on the line(oh baby)

Who do you trust if you can't trust me  
Im the one who loves you  
Who do you trust if you can't trust me  
Im the one who loves you

If you stay  
Ill just try to make you aware I'll  
Be gone, if it don't get no better

Human hearts can only take so much  
Faith is my condition if you want to keep in touch(oh  
baby)

Who do you trust if you can't trust me  
Im the one who loves you  
Who do you trust if you can't trust me  
Im the one who loves you

(bridge)  
Who do you trust Who do you trust  
If you can't trust me  
Who do you trust who do you trust  
If you can't trust me

Its my life, I can't waste the time  
Ive made my decision  
So lets lay it on the line(oh baby)  
(chorus..adlibs...fade)
