When misery is all there is,
Where will you go,
How little left there is,
How do you know?

Stay true,
Ive been there,
Its always over before gets further,
Live life and die,
When you know its your time,

The cold, cold air,
It kills me to know your there,
The cold, cold heart you have,
Just wont be enough,

Ive been there, crying, its not ok,
Ive been the one dieing, its not alright,
Behind the fake smiles I show,
Im bleeding inside,
Behind what I know,
Im bleeding, bleeding inside,
And I cant hideÂ....

When misery hammers into the ground,
Whats lost is found,
When hope fades away, leaving worrys in its place,
Whats lost can be found in a face,

Stay true,
Ive been there,
Its always over before gets further,
Live life and die,
When you know its your time,

The cold, cold air,
It kills me to know your there,
The cold, cold heart you have,
Just wont be enough,

When misery is all there is,
Where will you go,

How little left there is,
How do you know?

Stay true,
I've been there,
It's always over before it gets further,
Live life and die,
When you know it's your time,

The cold, cold air,
It kills me to know you're there,
The cold, cold heart you have,
Just won't be enough,

I've been there, crying, it's not ok,
I've been the one dying, it's not alright,
Behind the fake smiles I show,

I'm bleeding inside,
Behind what I know,
I'm bleeding, bleeding inside,
And I can't hide...

When misery hammers into the ground,
What's lost is found,
When hope fades away, leaving worries in its place,
What's lost can be found in a face,

Stay true,
I've been there,
It's always over before it gets further,
Live life and die,
When you know it's your time,

The cold, cold air,
It kills me to know you're there,
The cold, cold heart you have,
Just won't be enough,

I've been there, crying, it's not ok,
I've been the one dying, it's not alright,
Behind the fake smiles I show,
I'm bleeding inside,
Behind what I know,
I'm bleeding, bleeding inside,
And I can't hide...

I can't breathe, I'm falling in deeper,
I can't see, I'm drowning in misery,
I'm tired of pretending I'm not who I am,
I'm tired of lying to who I have left

Ive been there, crying, its not ok,
Ive been the one dieing, its not alright,
Behind the fake smiles I show,
Im bleeding inside,
Behind what I know,
Im bleeding, bleeding inside,
And I cant hideÂ....

Ive been there, crying, its not ok,
Ive been the one dieing, its not alright,
Behind the fake smiles I show,
Im bleeding inside,
Behind what I know,
Im bleeding, bleeding inside,
And I cant hideÂ....

I cant hide,
No no i cant hide,
No i cant hide....
