Can you feel me?  
Breathing unevenly,  
With every breath i take,

Every second that passes,  
Takes us a step closer to death,  
And its all i think about,

Its like there is nothing left but a broken heart,  
Deep down inside the heart of a dry desert,  
Scorching hot,

Cant you see im in pain?  
It wont ever rain!  
Cant you see im dieing,  
Im fading to grey!  
your the only thing keeping me alive,  
So ill just hide,  
Because deep down inside,  
Im going crazy...crazy....

Every second, takes us deeper underwater,  
If i lose my focus underground,  
Ill just drown,

Every second that passes,  
Takes us a step closer to death,  
And its all i think about,

Its like there is nothing left but a broken heart,  
Deep down inside the heart of a dry desert,

Scorching hot,

Cant you see im in pain?  
It wont ever rain!  
Cant you see im dieing,  
Im fading to grey!  
your the only thing keeping me alive,  
So ill just hide,  
Because deep down inside,  
Im going crazy...crazy....

Ive gone insane,  
My minds made up,  
I cant get up,  
Im losing you,  
The only one,  
Ive ever loved,

Its like there is nothing left but a broken heart,  
Deep down inside the heart of a dry desert,  
Scorching hot,

Cant you see im in pain?  
It wont ever rain!  
Cant you see im dieing,  
Im fading to grey!  
your the only thing keeping me alive,  
So ill just hide,  
Because deep down inside,  
Im going crazy...crazy....

Crazy...crazy...crazy
