"Fly Away"

Sunsets are beautiful once,
But you wont feel that way again,
They wont ever come,
And they wont make your mind bend,
The darkness is taking over,
Ill let you run for cover,
Ill give you a warning,
Ask that you dont cry,
And spread my wings and fly,

I know theres no love anymore
Were living in a deserted waistland,
And i know you wont reach hell's floor,
But take a stand,
Dont be afraid to cry,
And ill spread my wings, and fly,

Evenings are stupid,
Why cant they go?
Preying for love, preying for cupid,
And jump on a boat, even though you'll have to row,
And the darkness is taking over,
Ill let you run for cover,
Ill five you a warning,
And ask that you dont cry,
And ill spread my wings, and fly,
I know theres no love anymore
Were living in a deserted waistland,
And i know you wont reach hell's floor,
But take a stand,
Dont be afraid to cry,
And ill spread my wings, and fly,

Dont be afraid to stand up for yourself,
You cant just put a memory on a shelf,
You gotta think it,
Dream it,
And live it,
And the darkness is taking over,
Ill let you run for cover,
Ill five you a warning,
And ask that you dont cry,

And ill spread my wings, and fly,

I know theres no love anymore
Were living in a deserted waistland,
And i know you wont reach hell's floor,
But take a stand,
Dont be afraid to cry,
And ill spread my wings, and fly,

Gotta spread my wings,
Gotta jump off and fly away....
