I cant still taste the fear,
The worry in your eyes,
And yet you never shed a single tear,
Even though the world is as cold as ice,

Nowadays, i pray,
To whome i might consider,

Do you feel it,
Darkness in my veins,
And yet it still rains,
Cant you see,
Im pure evil,
Yet you never, never run away,
Im just begining,
And yet your still here,
Its just another day,
And yet you still think...im perfect in every way,

The darkness, is closing around the clock,
tik tok tik tok,
The world is fading to grey,
black white black white,

Nowadays, i pray,
To whom i might consider,

Do you feel it,
Darkness in my veins,
And yet it still rains,

Cant you see,
Im pure evil,
Yet you never, never run away,
Im just begining,
And yet your still here,
Its just another day,
And yet you still think...im perfect in every way,

Mabe your wrong,
Mabe your right,
Doesnt change a thing,

Mabe your gone,
Mabe your still here,
I still cant see a thing,

Nowadays, i pray,
To whome i might consider,

Do you feel it,
Darkness in my veins,

Do you feel it,
Darkness in my veins,
And yet it still rains,
Cant you see,
Im pure evil,
Yet you never, never run away,
Im just begining,
And yet your still here,
Its just another day,
And yet you still think...im perfect in every way....
