(first verse)

he was always makin her cry,
Everyone caught her eye,
Nobody every tried,
To let her die,

He was always spendin time with her,
Never understood why it was,
Like the room was filled with noise,
I couldnt understand,

Shes cryin tonight but he dont care,
Yeah right, so he says, " let down ur hair",
And shes always drivin him crazy,
and he wont bare,

(chorus)

I believe its all over,
Shes drivin him,
in....in...insane

Dont take it the wrong way,
Theres nothin left to say,
and shes drivin him,
In..In..lsane....

(second verse)

If you want,
ill show you the way,
If you need to,
Ill let you have a say,
Take a stand for her,
Nothin left you can say,

Like life is pushin forward,
You cant mention the horror,

Its all,
all,
all over now...

Shes cryin tonight but he dont care,

Yeah right, so he says, " let down ur hair",

And shes always drivin him crazy,
and he wont bare,

(chorus)

I believe its all over,
Shes drivin him,
in....in...insane

Dont take it the wrong way,
Theres nothin left to say,
and shes drivin him,
In..In..lsane....

(third verse)

He cant stand the pressure,
It wrips him open, open,
He cant measure,
The distance between him and her,
She,
drives him insane,
she,
drives him crazy...

(chorus)

I believe its all over,
Shes drivin him,
in....in...insane

(chorus)

I believe its all over,
Shes drivin him,
in....in...insane

Dont take it the wrong way,
Theres nothin left to say,
and shes drivin him,
In..In..lsane....

In..In..lsane...

In..In..lsane...

In..In..lsane...

In..In..lsane...

In..In..lsane...

In..In..lsane...

In..In..lsane...

In..In..lsane...

In..In..lsane...
