If i never see the grand canyon,  
If i never fire a cannon,  
Ill fire you instead,

If i make a mistake,  
Its a chance i gotta take,  
Ill blame you instead,

Its my choice to make,  
My chance to take,  
And you know where i stand,

Im,  
Not one to judge,  
And im not one to hold a grudge,  
But im one to make mistakes,  
And im,  
Not one to take,  
More than i give,  
And im not one to survive,  
But im one,  
That will live to die,

If i never see the moon,  
If i never sleep till noon,  
Ill make you sleep for me,

If i make a change,  
I wont ever rearrange,  
And ill annoy you instead,

Its my choice to make,  
My chance to take,  
And you know where i stand,

Im,  
Not one to judge,

And im not one to hold a grudge,  
But im one to make mistakes,  
And im,  
Not one to take,

More than i give,  
And im not one to survive,  
But im one,  
That will live to die,

If i never see the pyramids,  
I dont care,

If i never see the rain forest,  
I dont mind,

Ill make you do it,  
For me instead,

Im,  
Not one to judge,  
And im not one to hold a grudge,  
But im one to make mistakes,

Im,  
Not one to judge,  
And im not one to hold a grudge,  
But im one to make mistakes,  
And im,  
Not one to take,  
More than i give,  
And im not one to survive,  
But im one,  
That will live to die,

Oh oh,

Oh oh,

Live to die....
