(verse 1)

Life is like a long lost soul,
Wandering around so aimlessly,
Worrying about all the wrong things,
And in its head, a church bell rings,

Breath in, let me breath,
Theres no room for me to see,
See the bright light, see the bright light,
Your the one who will lead me,

(chorus)

Repeat it all, once more again,
Thanks for these useless years

One more time, one more try,
It felt like a bullet piercing my heart,
and thanks for these useless years,
no no no,
thanks for these useless years,
oh oh oh....

(verse 2)

like a desert, its an empty space,
No rain, no place, its all just hot,
Hot, hot, hot, not cold,
Nothing left to grab hold,

Breath in, let me breath,
Theres no room for me to see,
See the bright light, see the bright light,
Your the one who will lead me,

(chorus)

Repeat it all, once more again,

Thanks for these useless years

One more time, one more try,
It felt like a bullet piercing my heart,
and thanks for these useless years,
no no no,

thanks for these useless years,
oh oh oh....

(verse 3)
dont let misery come true to me,
Dont you knwo my world is a tangled sea,
Im lost in pain,
your left in vain,

Breath in, let me breath,
Theres no room for me to see,
See the bright light, see the bright light,
Your the one who will lead me,

(chorus)
Repeat it all, once more again,
Thanks for these useless years

(chorus)
Repeat it all, once more again,
Thanks for these useless years

One more time, one more try,
It felt like a bullet piercing my heart,
and thanks for these useless years,
no no no,
thanks for these useless years,
oh oh oh....
