Sometimes i think about all the memories,
Looking back in time,
I realize, its all gone,
I wasted all this time,

What went wrong? What happened?
Im lost in words,
I cant change it this time,
Im broken inside,

Everytime, everytime,
Everything goes wrong,
I cant change it,
Its all gone,
And another broken dream,
I want to scream, but i cant,
Cause you taught me how to fly,
I wanna dream, dream big,
Cause' you taught me how to cry,

Now the world fades to grey,
And im left with decisions, to make,
Im no longer afraid,
Im just broken, and it all fades away,

What went wrong? What happened?
Im lost in words,
I cant change it this time,
Im broken inside,
Everytime, everytime,
Everything goes wrong,
I cant change it,
Its all gone,
And another broken dream,
I want to scream, but i cant,
Cause you taught me how to fly,
I wanna dream, dream big,
Cause' you taught me how to cry,

There is no time for tears,
There is no need for fears,

I cant stop worrying,
About the future,
What will happen?

Everytime, everytime,
Everything goes wrong,
I cant change it,

Everytime, everytime,
Everything goes wrong,
I cant change it,
Its all gone,
And another broken dream,
I want to scream, but i cant,
Cause you taught me how to fly,
I wanna dream, dream big,
Cause' you taught me how to cry,
