(verse 1)

I guess i got lost,
In a living hell,
Im trapped inside,
This cold, dead cell,

Im going beyond,
What i hoped for,
And making it back,
To where i was before....

But im losing all hope,
When misery is drowning me out,

(chorus)

Dont look back,
Its all gone,
Blood covered streets,
Injuries,

Everyone is dead,
Your up next,
Your running from everything,
Leaving everyone,

But why would you do that?
When you know life is falling into hell,
You wouldnt believe what i say,
You go your own way,

(verse 2)

You may try,
And be someone else,
But it wont fool me,
To just put the memory on a shelf,

When all hope is gone,
You look to misery for help,
And everything i taught you,
Ends up in a cell,

But im losing all hope,

When misery is drowning me out,

(chorus)

Dont look back,
Its all gone,
Blood covered streets,

Injuries,

Everyone is dead,
Your up next,
Your running from everything,
Leaving everyone,

But why would you do that?
When you know life is falling into hell,
You wouldnt believe what i say,
You go your own way,

(verse 3)

Cant you see?
Theres nothing left,
Its all gone,
Nothing there to save,

Im drowning in blood,
And nothings ever there,
You dont know anything,
Your never there,

But im losing all hope,
When misery is drowning me out,

(chorus)

Dont look back,
Its all gone,
Blood covered streets,
Injuries,

(chorus)

Dont look back,
Its all gone,
Blood covered streets,
Injuries,

Everyone is dead,
Your up next,
Your running from everything,
Leaving everyone,

But why would you do that?

When you know life is falling into hell,
You wouldn't believe what i say,
You go your own way,
