Yeah, yeah, yeah
What you doin to me?
Yeah, yeah, yeah
What you want from me?
Yeah, yeah, yeah
What you doin to me?
What you want from me?
You're just fucking killing me!

Everyday people
Attempt to find the ultimate sign
As the kids come down from the road of the block
I get chills when I hear them cry
As I picked him up I cleared his eyes
If it ain't worth the try?
In these dying times it's hard to change
You're calling in my ear and I hear

Yeah yeah yeah
Now we're falling to the ground
Yeah, yeah, yeah
So get your hands up!

Yeah, yeah, yeah
What you doin to me?
Yeah, yeah, yeah
What you want from me?
Yeah, yeah, yeah
What you doin to me?
What you want from me?
You're just fucking killing me!

Oh no officer, please no don't draw your gun
I'm on the run it's a state of mind
See these banking corporates fake and whine
They make you live the life they define
Do you even know what's going on?
I don't mean to sound miserable
It's written all along and I hear

Yeah, yeah, yeah

Are we heading to the end?
Yeah, yeah, yeah
Now get your hands up!

Yeah, yeah, yeah
What you doin to me?
Yeah, yeah, yeah
What you want from me?
Yeah, yeah, yeah
What you doin to me?
What you want from me?
You're just fucking killing me!

This time around we shall march to battle
And bring victory to the people
Isn't that what you want?
Isn't that what we've wanted all along?
Watch the outcome
I'll give you the outcome!

Yeah, yeah, yeah
Now we're burning to the ground
Yeah, yeah, yeah
Is this the end?
Yeah, yeah, yeah
I guess we'll never wake up
Yeah, yeah, yeah
Now get your hands up!

Yeah, yeah, yeah
What you doin to me?
Yeah, yeah, yeah
What you want from me?
Yeah, yeah, yeah
What you doin to me?
What you want from me?
You're just fucking killing me!

Yeah, yeah, yeah
What you doin to me?
Yeah, yeah, yeah
What you want from me?
Yeah, yeah, yeah
What you doin to me?
What you want from me?
You're just fucking killing me!
You're just fucking killing me!
You're just fucking killing me!
You're just fucking killing me!
You're just fucking killing me!
