Can ya name the truck with four-wheel drive

Smells like a steak and seats thirty-five?

Canyonero

Canyonero

Well, it goes real slow with the hammer down

It's the country-fried truck endorsed by a clown

Canyonero

(Y'aah!)

Canyonero
(Canyon- ero)

[Krusty:] "Hey hey!"

[spoken disclaimer:] "The Federal Highway

Commission has ruled the Canyonero unsafe for
highway or city driving."

(Canyonero)

Twelve yards long, two lanes wide

Sixty-five tons of American pride

Canyonero

Canyonero
(Canyonero)

Top of the line in utility sports
(Ooh_____ ooh_____)

Unexplained fires are a matter for the courts
ooh _____ ooh _____)

Canyonero

Canyonero
(Canyonero)

(Y'aah!)

She blinds ev'rybody with her super-high beams

She's a squirrel-squashin' deer-smackin'

Drivin' machine

Canyonero

(Y'aah!)

Canyonero
(Canyon- ero)

(H'aah!)

Whoa, Canyonero!
(H'aah!)

(Y'aah!)

Whoa, Canyonero!

Whoa
