Some folk'll never eat a skunk but then again some  
folk'll like  
Cletus the Slack Jawed Yokel  
Hey whats going on on this side  
Hey Brandine you might could wear these to your job  
interview  
And scuff up the topless dancing runway?  
Naw you best bring em back where from you got em  
Ok, Back you go to waits for a woman of less  
discriminating tastes

Most folk'll never lose a toe but then again some folk'll  
like  
Cletus the Slack Jawed Yokel  
Hey you know what I could call my ma while I'm up here  
Hey Ma! get off the dang roof!
