Hmm, Marge, I was born to make you happy
I think, you're just my style
Everywhere I go, tellin' everyone I know
Baby, I love to see you smile

Don't want to take a trip to China
Don't want to sail up the Nile
Wouldn't wanna get too far from where you are
'Cause I love to see you smile

In the summer, in the springtime
Winter or fall
The only place I want to be
Is where I can see you smile at me

Like a sink without a faucet
Like a watch without a dial
What would I do if I didn't have you?
I love to see you smile

In the summer, in the springtime
Winter or the fall
The only place I wanna be
Is where I can see you smile at me

In a world that's full of trouble
You make it all worthwhile
What would I do if I didn't have you?
Oh, I love to see you smile
Hmm, I love to see you smile

I mean that sincerely, Homer
I know
