[Jockeys] Freaks, freaks, freaks!
We are the jockeys, jockeys are we
We live underground in a fiberglass tree
[Jockey #1] Ha!
[Jockey #2] Ooo!
[Jockey #3] Haha! 'Tween Earth and Hell, we reign
supreme
[Jockey #4] On toadstool thrones by a chocolate
stream
[Jockey #5] But all is not well in Jockey Town
[Jockey #6] Your renegade horse is making us frown
[Homer] What do you want me to do?
[Jockey #7] Your horse must lose

[Homer] My horse must lose?
[Jockey #7] No win!
[Jockey #8] No show!
[Jockey #3] No place!
[Jockey #4] Just lose the stinkin' race
[Homer] And what if I refuse to lose?
[Jockey #8] We'll eat your brain
[Homer] My horse must lose!
