[Vers 1]

Gonna hijack your party
Spend on you my stolen money
Cause tonight, I'm dressed to impress ya
Will someone, please call the press, ya ?

Ayyayayayayayayaaa
Lets call the press
Yayayayayayayayaaa
Cause tonight, I'm dressed to impress ya
Will someone, please call the press, ya ?

[Chorus]

I I Party all night
I I Take you so high
I I Never give up
I I Oh baby hands up

I I This is my night
I I I can't deny
I I Blow this place up
Blow this place up, all over again

[Vers 2]

Wanna samba with this body
My best shot to become naughty
Cause this night, I'm obsessed with undressing ya
Oh baby, no need to stress, ya?

Ay yayayayayayayaaa
No need to stress
Yayayayayayayayaaa
Cause this night, I'm obsessed with undressing ya
Oh baby, no need to stress, ya?

[Chorus]

I I Party all night
I I Take you so high
I I Never give up
I I Oh baby hands up

I I This is my night

I I I canâ€™t deny
I I Blow this place up
Blow this place up, all over again

[Bridge]
You all gonna Follow
Follow the flow
Behind my Row
This place gonna blow

[Chorus]
I I Party all night
I I Take you so high
I I Never give up
I I Oh baby hands up

I I This is my night
I I I canâ€™t deny
I I Blow this place up
Blow this place up, all over again
