Fame Disease

Flashlights , zoom and catch
Rat Traps, only scratch

no time to breathe, no time to break
gives you no chance, they only take

flashlights, you catch tight
Motha Fucker, You Ain't Right

I Got some news, will blow your head
got none to lose, turn on the RED!

" Here We Go Again "

Flashlights , zoom and catch
Rat Traps, only scratch

no time to breathe, no time to break
gives you no chance, they only take

flashlights, you catch tight
Motha Fucker, You Ain't Right

I Got some news, will blow your head
got none to lose, turn on the RED!

Hot chicks, Bling Bling, and a big car
I am now going that far

Scandals, Gossips and the dirty
I want more am feeling Greedy

You shoot me you sell you winning
I Play have fun and am sinning

But You are not Bringin me this Down
coz Am The King Of This Town

Hot chicks, Bling Bling, and a big car (Big Car)

I am now going that far (Far)

Scandals, Gossips and the dirty (haha)
I want more am feeling Greedy (Oh Yeah!)

You shoot me you sell you winning
I Play have fun and am sinning (I Love To Sin)

But You are not Bringin me this Down (Ah Ah)
coz Am The King Of This Town

Down & Up, Skip the line
run then run, Left and Right

Leave the shadows, And let them Bite
They will follow, Track'in all night

Hide and seek, acting like
Throw a peek, they're behind

I make a move, i hear the screams
Yeah, I'm The Front Page Of Their Freaking Magazines

(Big Car)
(more)
(Haha)
(Oh Yeah)
(Haha)
(I Love To Sin)
(ah ah)

Hot chicks, Bling Bling, and a big car
I am now going that far

Scandals, Gossips and the dirty
I want more am feeling Greedy

You shoot me you sell you winning
I Play have fun and am sinning

But You are not Bringin me this Down
coz Am The King Of This Town
