Verse 1:

Saviour of my soul, Lover of my life, I love You
endlessly
Passion of my heart, everything You are, I love You
endlessly
You loved me before I knew of You
You loved me, now I give it back to You

Chorus:

With Your majesty here, I fall to my knees
I love You endlessly
With the beauty of Your Son, I find myself undone
I love You endlessly

Verse 2:

You came and paid my price, death brought me life
Grace in which I stand, with everything I am, I love You
endlessly
You loved me before I knew of You
You loved me, now I give it back to You

Chorus:

With Your majesty here, I fall to my knees
I love You endlessly
With the beauty of Your Son, I find my self undone
I love You endlessly

You loved me before I knew of You
You loved me, now I give it back to You
You loved me before I knew of You
You loved me, now I give it back to You
