I found myself a hiding place
I found myself a secret space
In the shelter of Amighty's love
In the safety of the Saviour's arms

Chorus:

I will run to the hiding place
I will run to the hiding place
Draw me ever closer to look upon Your face
I will run to the hiding place

Verse2:

I found myself a hiding place
I found myself a secret space
In the refuge of the Father's care
In the cleansing blood of Jesus there

Chorus:

I will run to the hiding place
I will run to the hiding place
Draw me ever closer to look upon Your face
I will run to the hiding place

Bridge:

Though my fear may overwhelm me
And troubles, they surround
Though
The wind rise up to take me
My hiding place is already found

Verse3:

I found myself a hiding place
I found myself a secret space
In the shelter of Amighty's love
In the safety of the Saviour's arms

Oh, wanna lok upon Your face
I will run to the hiding place

Chorus
