### "Solid Rock"

Standing on Your promise  
Hidden in Jesus  
Hope of glory  
Living inside my life  
In my life

Holding to Your mercy  
Seeing what You see  
Hope of glory  
Living inside my life  
In my life

Chorus:  
I will stand on the solid rock  
I believe if I feel it or not  
Word of God come and fill my thoughts  
I am Yours take control

The enemy defeated  
Living in freedom  
Hope of glory  
Living inside my life  
In my life

Oh oh  
I am standing up  
Oh oh  
on the solid rock  
On Christ the solid rock I stand  
All other ground is sinking sand
