Verse 1:

The hope of every nation, the joy of every heart  
The King who won salvation, the God who comes for us  
Oh, the world must see Your love and Majesty

Chorus:

This is our God, this is our King  
This is the anthem of the redeemed  
Tell the whole world, let everyone sing  
This is our God, this is our King

Verse2:

The Light that broke the darkness, The Champion over  
death  
Victorious forever, Your Kingdom never ends  
Of, the world must see Your love and Majesty

Chorus:

This is our God, this is our King  
This is the anthem of the redeemed  
Tell the whole world, let everyone sing  
This is our God, this is our King

Bridge:

Oh, this is our anthem; Oh this is our God
