... heard a lot about you, yeah
and the way you come across ... for me
and i finally meet you, yeah
you're so, yeah you're so attractive
i been looking a long time and nothing's matched it no
i think i finally find the one to wanders in my heart with
you
and i wanna get to know you, want you to be my
number one go to
and ... in all, but all i got is waste of time, yeah we need
to do

you are ... in one heart, i ... get one heart to give and
one life to live
and i wanna spend it with you cause baby only heaven
knows
you're my ... i need you so,
everynight ... i know girl you're the one
and i wanna spend it with you cause baby only heaven
knows
girl how much i need your soul

no i will never had this kind of loving, hey
the kind of love that will always keep me running
baby home to you
and girl i never tried to find it
i'm waiting a long time and my heart's excited, yeah,
over you
so what do you wanna wanna do?
and i wanna get to know you, want you to be my
number one go to
and ... in all, but all i got is waste of time, yeah we need
to do

you are ... in one heart, i ... get one heart to give and
one life to live
and i wanna spend it with you cause baby only heaven
knows
you're my ... i need you so,
everynight ... i know girl you're the one
and i wanna spend it with you cause baby only heaven
knows

girl how much i need your soul.
