we started out being the best of friends
then later on girl i became your man
whatever you want it to go we did it
and whatever you want it i spent day
and now you say you want now
you tell em this now
you said baby is now or never
wow can we work it out
'cause i know i'm here girl for life
oh yeah girl that's right
now you don't have to worry no more

i will be a fool to ever lose you
so he's what i longer ..
i'ma be loving you ..harder
sexing you girl longer
i'ma be giving you while I'm stronger
I'll do what i gotta do
just to show you back ..i do

girl i'm a man so let me do what man do
