[Verse 1:]

I, I gotta tell you bout it,
I can't hold it cause I'm sick.
Cause you, you know my heart and my soul,
I can't hide it although I try to.
So please hear the words that I'm speaking from my
mouth,
I figured out I can't and I won't even try,
Cause it's a waste, a waste of time.

[Chorus:]

So ain't no need in playing hide and seek, you know
me,
Ain't no need in me playing dumb, cause you told me
Not to but I still chose to, now I gotta face you.
Forgive me, forgive me, Lord I'm sorry; I disobeyed
Your word now it's coming back to haunt me.
I didn't say a thing, you know everything.
Forgive me lord I'm sorry,
I'm sorry... those times they got the best of me.

[Verse 2:]

I, I feel like a child trying to hide my hands after I've
done wrong.
I, I feel like I've let you down, after you've held me
close this long.
The crazy thing about it is I knew you were watching
Me but I kept on doing the same old thing.
I'm thinking about what you spoke to me last time I just
kept on doing me.

[Chorus x2]

[Verse 3:]

I know it sounds like a rerun but I'm sorry,
And I feel sometimes you want a refund on me, Lord.
But I pray that you hold on, it won't be long,
Cause I'm gonna keep on buying in as long as you hold
on.
So don't stop, don't stop, loving me loving me.
And don't stop, don't stop, holding me, holding me.
Cause I'm a do better, cause I want to please you and

Give you everything that you want from me.

[Chorus]
