ooohhhh
hey
ooohhhh
hey
oh...

oh no
my worst nightmare is now
my heart somewhere in the lost and found
when you're drowned then off
how can i deal with this lost
i don't know...

but it's hard to deal with
it's like a soldier
out of nowhere
whoeva told ya
but you still lovin' me over a lie
girl i need you
and i need you now...

ooohhhh
i never thought i'd be here
thought i had it all clear ooohhh
ooohhhh
should've listened with my own heart
instead of my ears...

i'm lost without you
ooohhh
youuuu
i'm lost without you
ooohhh
youuuu
my heart won't be without
youuuu
girl i love
youuuu
i really need
youuuu
i'm lost without you
youuuu

without you
youuuu
without you
youuuu
i'm lost without you...

my nights are all of a sudden longer
my heart just doesn't beat as strong as it did
before you left me now girl
i don't know what to do oohh
i really miss you now
don't know how these gotta turn around
but i love you so much
i won't stop until you come back...

ooohhhh
i never thought i'd be here
thought i had it all clear oohh
ooohhhh
should've listened with my own heart
instead of my ears...

i'm lost without you
ooohhh
youuuu (i'm lost)
i'm lost without you
ooohhh
youuuu

my heart won't be without
youuuu
girl i love
youuuu
i really need
youuuu (i need you)
i'm lost without you
youuuu
without you
youuuu
without you
youuuu
i'm lost without you...

i know it hasn't always been
what they call a picture perfect love story
but if you flip through the pages
you will see another love that i had inside of me
but you
youuu
and only you
only youuu

this baby girl i know
my heart
nobody else do what you do
the things you do
that's why i love you i love you...

i'm lost without you
ooohhh
youuuu
i'm lost without you
ooohhh
youuuu
my heart won't be without
youuuu
girl i love
youuuu
i really need
youuuu
i'm lost without you
youuuu
without you
youuuu
without you
youuuu
i'm lost without you...

ooohhh
youuuu
i'm lost without you
ooohhh
youuuu
my heart won't be without
youuuu
girl i love
youuuu
i really need
youuuu
i'm lost without you
youuuu
without you
youuuu
without you
youuuu
i'm lost without you...
