I know you said you wouldn't take no more  
It happen again, you'd be out the door  
But hey wait, take a minute hear me out  
Hold up, all you say, hear me out

And you finally got a lot of reasons  
And it's obvious what you're thinking  
But I swear this time,  
I ain't guilty baby  
I ain't commit no crime  
I ain't even do it

Girl I know what it looks like to ya  
Promise, I would not do it to you again  
How the hell she get my number  
She keep callin' and callin'  
But I don't wanna

Give me one more last time  
I see the look you're giving me  
Saying I had the chance,  
You need to leave  
Give me one more last time girl  
Don't be blamin' me  
I'm not the enemy  
(Oh) It wasn't me  
(Oh) It wasn't me

I know it's hard to trust a man that just hurt you  
But it took awhile, cause we have a lot to work through  
But don't go, hold up a minute, hear me out baby, don't  
go  
All ya saying, hear me out

And if I gotta do a little extra,  
I'll take it back to the day that I met ya  
Be that that guy  
The one you told your daddy about  
That guy  
You said you couldn't live without

Girl I know what it looks like to ya

Promise, I would not do it to you again  
How the hell she get my number  
She keep callin' and callin'  
But I don't want her

Give me one more last time  
I see the look you're giving me  
Saying I had the chance,  
You need to leave  
Give me one more last time girl  
Don't be blamin' me  
I'm not the enemy  
It wasn't me  
(It wasn't me)

See I did my dirt  
Cleaned it up  
Then you broke my bet between girl and trust  
I ain't go through something I ain't do  
Open the door baby, it was me loving you  
If you need a minute to get over it  
Can't be mad, it's just how it is  
All I ask is you look at the facts  
And I know you'll take me back

Give me one more last time  
I see the look you're giving me  
Saying I had the chance,  
You need to leave  
Give me one more last time girl  
Don't be blamin' me  
I'm not the enemy  
It wasn't me  
(It wasn't me)

Give me one more last time  
See the look  
It's in your eye girl  
Give me one more last time girl  
(Ohhh)
