I'm calling out to all the fellas in here tonight,
You know you're looking sexy as hell,
Damn baby you're my type,
Boy you know you're something else!
You make me wanna grab you real quick!
Face like a model, pocket swift,
I'm looking flawless in my outfit
Know I'm even better when I'm out of it.

Chorus:

All my girls in the club,
With your high heels on,
And all my fellas trying to
Take them home!
Cause I like it, I like it, I like it,
Everything about you!
Cause I like it, I like it, I like it,
And we dance to the beat
You got me feeling like a freak
And that's quite alright with me,
Cause I like it, I like it, I like it,
Everything about you!
Cause I like it, I like it, I like it,
Yes I like it, I like it, I like it!

I love the way you move
And makes them bottles pop,
And when you do it's like slow motion

And then then the music stops, aye.
I see you stare
I'm here, you're there
And boy I need you closer to me, oh yeah!
You make me wanna grab you real quick
Face like a model, pocket swift,
I'm looking flawless in my outfit
Know I'm even better when I'm out of it.

Chorus: (x2)

All my girls in the club,
With your high heels on,
And all my fellas trying to

Take them home!
Cause I like it, I like it, I like it,
Everything about you!
Cause I like it, I like it, I like it,
And we dance to the beat
You got me feeling like a freak
And that's quite alright with me,
Cause I like it, I like it, I like it,
Everything about you!
Cause I like it, I like it, I like it,
Yes I like it, I like it, I like it!
