The fields are green in the land I've seen
Every time I close my eyes
People fly and the birds can catch a ride

Theres no rain but the moisture remain
So the trees can reach the skies
Swim upstream where the river meets the tide

The air is loaded with the summer sun
I wanna share my wonderland

Come into my crazy dream tonight
We'll empty the moonshine
Leave a trail of trouble behind
And nobody's cool, calm, collected
Come into my crazy dream tonight

Bought a ticket and I took the train
To the castle on the clouds

Towers drenched in a golden melt
You can't describe
Take my hand and you'll understand
I dont wanna wake up again, again

The air is loaded with the summer sun
I wanna share what's in my mind

Come into my crazy dream tonight
We'll empty the moon shine
Leave a trail of trouble behind
And nobody's cool, calm, collected
Come into my crazy dream tonight

Where the magic dont stop
I don't wanna wake up
Keep me dreaming tonight
I don't wanna wake up
Keep me dreaming tonight

Come into my crazy dream tonight

We'll empty the moonshine
Leave a trail of trouble behind
And nobody is cool, calm, collected
Come into my crazy dream

Come into my crazy dream tonight
We'll empty the moonshine
Leave a trail of trouble behind
And nobody is cool, calm, collected
Come into my crazy dream tonight

Where the magic dont stop
I dont wanna wake up
Keep me dreaming tonight

Where the magic dont stop
I dont wanna wake up
Keep me dreaming tonight
