Hey, don't look at me like that
Don't you think I know exactly what I've got
Baby always had my back
Honey brings another flavour to the mac

Oh, storm blow over soon
Or am I doomed

I swear I'm not killing time
I'm trying to make up my mind
I don't know wht to say
I could go either way
I don't know
If I can make it up as I go
What would you put first?
Diamonds or pearls.

Yeah, you really got me jammed
Gotta make my move 'for all the doors are slammed
You know I really can't decide
If the grass is greener on the other side

Oh, storm blow over soon
Or am I doomed

I swear I'm not killing time
I'm trying to make up my mind
I don't know wht to say
I could go either way
I don't know
If I can make it up as I go
What would you put first?
Diamonds or pearls.

To much icind on the cake
Is it more than I can take?
To much sugar lying around
Honey baby, what I found is
I'm in trouble, I'm in doubt
The ansvwear's there but I can't make it out

I swear I'm not killing time
I'm trying to make up my mind
I don't know what to say
I could go either way
I don't know
If I can make it up as I go
What would you put first?
Diamonds or pearls.
