I thought we had something special  
Though I might have missed the line  
I thought we had something precious  
Even if I messed it up

I know I've lost my right to judge things you do  
I must confess it hurts a little more then it should

#### CHORUS

But hell if I  
Hell if I'm gonna cry because you found someone new  
I tell you I  
I'd feel a whole lot better  
If you took some time to shed a tear  
Maybe you didn't have to look so pleased  
So good, so satisfied

I must have though there was a chance  
I must have thought there was some hope  
I thought we still could find some magic  
Somewhere down the road

I know I've lost my right to judge things you do  
I must confess it hurts a little more then it should

Hell if I'm gonna cry because you found someone new  
I tell you I  
I'd feel a whole lot better  
If you took some time to shed a tear  
Maybe you didn't have to look so pleased  
So good, so satisfied

Hell if I'm gonna cry because you found someone new  
I tell you I  
I'd feel a whole lot better  
If you took some time to shed a tear  
Maybe you didn't have to look so pleased  
So good, so satisfied

Hell if I'm gonna cry because you found someone new  
I tell you I

I'd feel a whole lot better  
If you took some time to shed a tear  
Maybe you didn't have to look so pleased  
So good, so satisfied
