I cant breathe  
Im on my knees, Im falling under her spell  
It's a Merry-go round  
It's a hurricane  
And there's no putting on the brakes

In my dreams  
She's the Juliet sneaking through my back door  
Telling me she's never felt this way before  
And wont till the dying day

Got me falling so fast  
I can't take it easy  
Trying so hard not to lose my cool  
I'm in trouble here and it drives me crazy  
Can't wait to see how far it goes  
Tomorrow only knows

And Im in need  
I've spiraled down right into a wishing well  
Throwing coins around wanna hear her say  
That I'm all she'll ever need

Oh wont you please  
Release me for my heart is gonna overflow  
Ive had it covered up and now it's bound to show  
You're the passion i never know.

Got me falling so fast  
I can't take it easy  
Trying so hard not to lose my cool  
I'm in trouble here and it drives me crazy  
I can't wait to see how far it goes

You got a good thing going here  
And I just can't wait to see  
How far it goes  
Tomorrow only knows

Got me falling so fast  
I can't take it easy

Trying so hard not to lose my cool  
I'm in trouble here and it drives me crazy  
I can't wait to see how far it goes

It's a merry-go-round  
It's a hurricane!  
I spiraled down right into a wishing well

I'm in trouble here and it drives me crazy  
I can't wait to see how far it goes  
Tomorrow only knows

I can't breathe

I can't breathe
