Tonight i kicked off my shoes
laid down on my couch
thinking about you as i was closing my eyes
i was a lucky guy, yeah, i felt lucky then
suddenly i'm back there holding your hand
i had what i always wanted

i have a hard time being on my own
sentimental people shouldn't be alone
how can you change what i used to be?
can i regain my strength, get back on my feet
if you are still in my head?

Well, i thought i could
but it's gone too far
trying to move on
gotta find that spark
i just don't want to go back
where i don't belong

i remember the first time i saw you
my heart was racing
telling me lies
how could i lose myself?
how could i give up my convictions just like that?
it's gonna take some time to dry these eyes

Well, i thought i could
but it's gone too far
trying to move on
gotta find that spark
i just don't want to go back
where i don't belong

if you think of me then don't feel sorry
i'll always manage to find a way
living my life on a bumpy road
but i'll just keep going
