Whiter than white your soul, your soul  
Clear as the sea your eyes  
Blue as the skies your heart  
Pale as the sand your skin

I hope, hope that you know  
I feel so cold  
My conscience is torn

Sorry that I told you lies  
Sorry that I made you cry  
That I took your smile  
It's so beautiful  
Sorry that I wasn't there  
That you thought I didn't care  
I will always care  
And I'll try  
to make your smile again  
one day you'll smile again, at me

Soft as a rose your touch, your touch  
And your love is just too much

I know, I know you can be strong  
And so, you just hold on

Sorry that I told you lies  
Sorry that I made you cry  
That I took your smile  
It's so beautiful  
Sorry that I wasn't there  
That you thought I didn't care  
I will always care  
And I'll try  
to make your smile again  
one day you'll smile again, at me

Whiter than white your soul, your soul  
Clear as the sea your eyes.

Sorry that I told you lies

Sorry that I made you cry  
That I took your smile  
It's so beautiful  
Sorry that I wasn't there  
That you thought I didn't care  
I will always care  
And I'll try  
to make your smile again  
one day you'll smile again, at me
