Strip this pain
you left me with
crave me still
im screaming out your name
Free me from
this forsaken road
erase my fears
of living my life alone

escape the rain,
run to me,
cradle me,
yearn for me,
can you hear my cries,
escape the rain,
how do i escape the rain

keep me alive,
revive my love,
i need you,
whisper my name.
break down these walls,
uncloud my day,
help me breathe,
don't give up on me now.

escape the rain,
run to me,
cradle me,
yearn for me,
can you hear my cries,
escape the rain,
how do i escape the rain

can you heal this wound
from bleeding inside
inside x 3

escape the rain,
run to me,
cradle me,
yearn for me,

can you hear my cries,
escape the rain,
how do i escape the rain
