chorus

I am guilty for love for these niggers none of them the
gray

I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was

I am guilty for love for these niggers none of them the
gray

I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was

I ain't perfect but I am loyal nigger no question
heads down hold you down nigger no question
say your name in every song .. right or wrong
I am guilty money change niggers when the fame
comes

I am guilty you are holding your hoes I don't want to
fuck them

.. pussy hot so it was hard to trust them I know I am
guilty for the life

...best stab it on rack I keep it one step so many niggers
screaming more but they ain't really more

.. nigger to the hard I am gonna watch my hands on
you

chorus

I am guilty for love for these niggers none of them the
gray

I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was

I am guilty for love for these niggers none of them the
gray

I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was

.. selling this brick a straight drop

.. 40 pounds to these niggers I am talking â€¦
ain't been the same since my niggers been gone ..
move so much coce
I need to work for Coka Cola got so many phone
got to work for Motorola

chorus

I am guilty for love for these niggers none of them the
gray
I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was

I am guilty for love for these niggers none of them the
gray
I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was

love strong make decisions even harder for you
in your heart you know this person ain't no good for you
who am I to hold a .. I have been fucking ...if you fuck
one
I fuck ten we both plan .. tell me you love me but you ..
fall apart
every day we are ...try to ignore the past wishing for
another future
you are still mad at me for all the shit I did to you
.. you hurt me and I hurt you I guess going on separate
ways
is the best thing to do I know I am guilty shorty I never
said I wasn't
when I brag about how you cheated you just â€¦

chorus

I am guilty for love for these niggers none of them the
gray
I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was

I am guilty for love for these niggers none of them the
gray
I am guilty for love for these hoes now she is one faith
I am guilty I ain't never .. I never judge
I am guilty it's like it was love that's is what it was
