In the middle of the club, with my shirt off
Screaming I don't give a fuck
Yeah, I'm bout to take off, pop another bean, bean
Just to keep me rolling, I eat my whole body
Yeah, yeah, I'm on it
It's all in my tattoo, yeah, love, yeah, yeah
It's all in my tattoo, love, yeah, yeah, yeah
It's all, yeah

Uh she dancing like she fucking, she nasty when she
sucking
Go crazy when she touching, uhhh, too many tattoos
too many gas
Too many stacks my nigga, too many racks
In the middle of the club with my shirt off
Showing off my tats, showing off my diamonds nigga
Showing out my racks
Lil mama she jazz, she tattered, that ass fat
And she working down, so everyday making stacks
When she walk, she balling, hood clean, way with
your fine head
Every nigga in the club wanna trick off
All those tats on that ass, she will break bread
Lil model, lil drank, I'm ma take off
See 12 in the trunk, I'm am knock off
I'm ma ink my whole body nigga, with my shirt off

In the middle of the club, with my shirt off
Screaming I don't give a fuck
Yeah, I'm bout to take off, pop another bean, bean
Just to keep me rolling, I heat my whole body
Yeah, yeah, I'm on it
It's all in my tattoo, yeah, love, yeah, yeah
It's all in my tattoo, love, yeah, yeah, yeah
It's all, yeah

Uhhh, she know she bad, she
There's a lot of cash, it's going too fast
Throwing this money on this too fat
I'm on my 80 she too pretty, I own a 19 I think a win
ring

And the club won't drop on anything, on 2 mollies
on everything
I'm in the back with a bad bitch, in a bed with a porn
star
And was going hard, and her tattoo say that 2 menage
They kissing, rolling too hard, it's a lot of drains,
A lot of weed, a lot of frap, a lot of cheese
Came in the club with 100 d, ain't checking me
on both arm, got my black rose on do chom
Come on, I don't do chom, you can bust if you want
to
Red dot, see you fade like a tattoo
Shirt off in the club with all my ink showing
You can't do it like we cause!
