Here I go again  
but where do I begin  
Do I stand out on the edge  
or Do I jump right in

I don't know  
but here I go

something's coming over me  
i never felt before  
If I don't step on it  
then I will never know for sure

I don't know  
but here I go

#### **CHORUS**

Im like- ooo, ooh  
When you look at me  
Im like ooo ooh  
I can't even speak  
Im like ooo, ooh  
tthings are getting weak  
i'm lik eooo, ooh  
Oh no no no

I only think of you like  
maybe all the time  
Butterflies all in my tummy  
clouds all in my mind

occupied  
my are you?

under rated chance  
that you bump into me  
I'd go anywhere  
thinking you'd be there

silly me

silly me

(Until fade...)

Im like- ooo, ooh

When you look at me

Im like ooo ooh

I can't even speak

Im like ooo, ooh

tthings are getting weak

i'm lik eooo, ooh

Oh no no no
