"Voodoo"

Visit "[Voodoo](#)" on MotoLyrics.com

You got me running in the street lights
Shadow dancing on the sky line
Gotta make it to you in time
Tryna keep my steps in line
(skiddy bop da!)

I need ya, I'll getcha
Gotta getcha baby
Don't know what's come over me
(ooh)
A fever you've made me a believer
And I'm losing all control of me

Skiddy bop da
Skiddy way oh
Skiddy way ah
Em do who do
That Voodoo you do voodoo
Skiddy way ah
Skiddy wah oh
That Voodoo you do
That Voodoo who do you do

Voodoo
Your voodoo got me shaking and twisting
I feel the earth quaking
Voodoo
Your voodoo got me hot as an oven
Hot flash my body trembling
Voodoo
Got me under your spell
I can't tell if it's heaven or if it's hell
Voodoo
It's your voodoo, your voodoo
I feel things that only you do

The stars are aligned
I'm feeling out of my mind
This spell has got me hypnotized
I'm playing on the dark side
Skiddy bop da

I need ya, I'll getcha
Gotta getcha baby
Don't know what's come over me
(ooh)
A fever you've made me a believer
And I'm losing all control of me

Skiddy bop da
Skiddy way oh
Skiddy way ah

Em do who do
That Voodoo you do voodoo
Skiddy way ah
Skiddy wah oh
That Voodoo you do
That Voodoo who do you do

Voodoo
Your voodoo got me shaking and twisting
I feel the earth quaking
Voodoo
Your voodoo got me hot as an oven
Hot flash my body trembling
Voodoo
Got me under your spell
I can't tell if it's heaven or if it's hell
Voodoo
It's your voodoo, your voodoo
I feel things that only you do

Oh yeah
Your voodoo
That Voodoo who do you do

Skiddy bop da
Skiddy way oh
Skiddy way ah
Em do who do
That Voodoo you do voodoo
Skiddy way ah
Skiddy wah oh
That Voodoo you do
That Voodoo who do you do

Voodoo
Your voodoo got me shaking and twisting
I feel the earth quaking
Voodoo
Your voodoo got me hot as an oven
Hot flash my body trembling

Voodoo
Got me under your spell
I can't tell if it's heaven or if it's hell (what you done to
me)
Voodoo
It's your voodoo, your voodoo
I feel things that only you do

It's your voodoo
