I've seen her face before
I've seen those eyes from long ago
They're reaching inside my soul
I wish she could see my heart beating for her

What if were to let you know,
Would it be too much?
But I can't wait to find if I'm invisible,
(I'm)Asking for just...

One night in paradise
Hoping that something's begun
Is it a million to one
For one night,I'd pay the price
I would give anything,till then I'll wait...for you love

A whispering in the air
Wind rushing my hands right through your hair
There under a lonely star
I know you can feel my heart beating for you

What if I were to let you know,
Would it be too dangerous?
But I can't wait to find if I'm invisible,
Asking for just...

One night in paradise
Hoping that something's begun
Is it a million to one
For one night,I'd pay the price
I would give anything,till then I'll wait...for you love

Wait,wait for your love
(I'll)Wait,wait for your love
Wait,wait for your love
(I'll)Wait,wait for your love

One night in paradise
Hoping that something's begun
Is it a million to one
For one night,I'd pay the price

I would give anything,till then I'll wait...for you love

Wait,wait for your love
(I'll)Wait,wait for your love
Wait,wait for your love
(I'll)Wait,wait for your love
