I've seen her face before
I've seen those eyes from long ago
They're reaching inside my soul
I wish she could see my heart beating for her

What if I were to let you know,
Would it be too much ?
But I can't wait to find if I'm invisible
(I'm)Asking for just ...

CHORUS:
One night in paradise
hoping that something' begun
Is it a million to one
For one night i pay the price
I would give anything, till then I'il wait ...
... FOR YOUR LOVE ...

A whisperin in the air
wind rushing my hands right through your hair
there under a lonely star
I know you can feel my heart beating for you

What if I were to let you know,
Would it be too dangerous ?
But I can't wait to find if I'm invisible
Asking for just ...

CHORUS:
One night in paradise
hoping that something' begun
Is it a million to one
For one night i pay the price
I would give anything, till then I'il wait ...
... FOR YOUR LOVE ...

Wait , wait for your love
(I'il) Wait , wait for your love
Wait , wait for your love
(I'il) Wait , wait for your love
For one night i pay the price
I would give anything, till then I'il wait

CHORUS:
One night in paradise

hoping that something' begun
Is it a million to one
For one night i pay the price
I would give anything, till then I'il wait ...
...FOR YOUR LOVE ...

Wait , wait for your love
(I'il) Wait , wait for your love
Wait , wait for your love
(I'il) Wait , wait for your love
