Woah!

I'm a cold-hearted classless son of a bitch, now!
Got a drink in my hand, and my eyes on your ass,
yeah!
Thought this was just another one-night stand? No!
Drown me in your lies! Oh!

Come back, baby!
I wanna watch you walk away again!
Come back, baby!
I wanna hear you scream my name!

Oh yeah, honey!
Your voice just like the angels singin'!
Oh yeah, honey!
I wanna feel your skin against me!

This is no angel, I hear that voice inside me say!
Press them bottles to my lips!
Drown me in your lies!
Let's give it a go! (Let's give it a go!)

I will never sympathize with you!
No, I won't sympathize with you!

Come back, baby!
I wanna watch you walk away again!
Come back, baby!
I wanna hear you scream my name!

Oh yeah, honey!
Your voice just like the angels singin'!
Oh yeah, honey!
I wanna feel your skin against me!

Oh!

I'm no good for you!

And babe, you're no good for me!

Come back, baby!
I'm no good for you!
Oh yeah, honey!
You're no good for me!

Come back, baby! I wanna watch you walk away again!

Come back, baby!
I'm no good for you!
Oh yeah, honey!
You're no good for me!

Come back, baby! I wanna feel your skin against me!
