It's the time of the season where love runs high
In this time give it to me easy
And let me try with pleased hands

Take you in the sun to promise land
Show you everyone
It's the time for the season of loving

What's your name, who's your daddy
Is he rich like me has he taken any ti me
To show you what you need to live

Tell it to me slowly
Tell you what I really want to know
It's the time for the season of loving

What's your name, who's your daddy
Is he rich like me has he taken any time
To show you what you need to live

Tell it to me slowly
Tell you what I really want to know
It's the time for the season of loving
