Just another day,
just another day I'm here where I belong.
Any other place
any other way
I'd sing a different song.
You wouldn't sing along,
would you
would you?
Worlds are made of paper
and time is only time
nothing lasts forever
'cause people change their minds.
I do,
I do.
I could find a way
and i could learn the lines,
it isn't hard to do. ooh
But I'm so happy here,
I think I'd rather stay with you
with you.
Worlds are made of paper
and time is only time
nothing lasts forever
'cause people change their minds.
I do,
I do.
So good,
so far
from the very start.
Everywhere
I go
I see what moves
my heart.
Worlds are made of paper
and time is only time
nothing lasts forever
'cause people change their minds.
I do,
I do.
But for the moment I
can't find the reason why
I need to move along

tomorrow doesn't mind
that yesterday is just my favorite Beatles song
my favorite Beatles song.
oooh
oooh
Worlds are made of paper
and time is only time
nothing lasts forever
'cause people change their minds.
I do,
I do.
Oh, just another day
just another day.
