Bold hunters all fall down

Hunting, hunting

This is the hunting ground

Hunting, hunting

Sold out so go home

Nirvana on display

Hunting, hunting

Gives back to take away

Hunting, hunting

Sold out so go home

No form of any kind

Hunting, hunting

There's no more left to find

Hunting, hunting

Sold out so go home

Survivors disappear

Hunting, hunting

So now the coast is clear

Hunting, hunting

Sold out so go home
