### **"On Islands"**

Visit "[On Islands](#)" on [MotoLyrics.com](https://MotoLyrics.com)

On islands

We all run

Onto islands

In the sun

And the sun too

Is an island

With islands

All around

We're all islands

In the sea

And the islands

Want to reach

Other islands

Passing by

An island

In the sky

On islands

Everywhere

All the islands

Ever there

Are all waiting

On an island

That island

Stands alone

On islands

On islands

On islands

On islands
