I have been seeking hard
Since I forgot you
Swimming over the world
in rivers plenty of salt.
I've tried to kill myself
in every lazy woman
While my guitar broke
and my mind explodes.

When the hand
doesn't reach at all
the voice run
just to keep your soul
and I remember
the smell of your perfume
that made me leave
in the night of the thousand tears.

Girl, I've been going out
for so long!!

I've been writing
frozen needy words
in every bed
where I've tried to judge my faults
and your silence
has broken all the walls
of this charm

that you used to warm.

Girl, I've been going out
for so long!!

Girl, I've been going out
for so long!!

I feel the mantis
walking on my neck
Your name resounds in the jar
that my heart swallows
My feet are bleeding raw

dragging me on the streets
after those damned souls
because you made me crazy.

I've been going out
for so long!!

Girl, I've been going out
for so long!!

Girl, I've been going out
for so long!!
