It's the age of thunder
It's the age of pain
You don't have to worry
It's just a game

Too much confusion
Too much of it all
But you don't have to worry
It's the age of gold

No time for crying now
There's too much rhythm in my soul
No need to hurry now
It's the right time to let it roll

Nothing is real
Just lose control
Run for you life
Some where to go
Wanna have fun?
Come to the show
It's time for Rock 'N Roll

I never told you stories
I never told you the truth
I just gave you some false trails
The rest is up to you

Don't ask me for money
Just bleed for love
All I wanna give you
Is a good piece of Rock

No time for crying now
There's too much rhythm in my soul
No need to hurry now
It's the right time to let it roll

Time for Rock'n Roll...

Time for Rock'n Roll...

Time for Rock'n Roll...
